Note: The Office of Field Experiences will begin placing Fall student teachers on March 1 and Spring student teachers on October 1. Principals and cooperating teachers must be notified up front if a student is planning to student teach abroad for part of his/her student teaching placement. This is why we must know your intentions by the dates indicated.

### Things to remember:

1. After this application is approved by the Faculty Program Coordinator, please contact Dan Colleran [collerad@uww.edu](mailto:collerad@uww.edu) at the Office of Global Experiences. He will have you complete their online application and schedule your group's pre-departure meeting.
2. Check your university email regularly.
3. Once you are approved for an International placement, please keep in contact with your Faculty Advisor. If you have any program questions or issues before departure, contact your Faculty Advisor immediately.
